

Positive Messengers – MFL activities

C'est quoi un migrant ?

Level: KS3 (Year 7)

French

Authors:

Hamed Traore

Goldsmiths University of London

Year 7 matching game.

Open the PowerPoint (C'est quoi un migrant? – Y7.pptx)

Please note: the instructions are provided in French at the start of the PowerPoint.

Slide 2: These are the suggested rules of the game.

Note from the author: Free free to use this resource creatively - there is no clear set of rules for this game. You can make it as simple as you like.

- Split the class into groups.
- Distribute the cards (text and images) to each group. You can create these by printing off Slides 3 - 12.
- Each group choose a chairperson to share the texts to his partners
- The chairperson chooses someone to time the group's work. (5min is given to the groups to match images and text)
- Ask each group to put the images in two rows of six.
- Now, each group should attempt to match the image to the correct text before the end of the timing.
- When you are ready, click on 'Play' in the corner of Slide 2 to open the Youtube animation and check everyone's answers.
